SunCorp Announces New Business Development Officer

Denver, CO – Brent Sivertsen is SunCorp's newest Business Development Officer. In this position, Brent works with members to identify needs and provide solutions for their balance sheets. Brent will

also consult with members to optimize their payment systems programs. "I'm excited to join the SunCorp team," said Sivertsen. "I look forward to providing members with superior service and helping them to make wise decisions."

Brent comes to SunCorp with over fifteen years of experience in the financial services industry, most recently from CitiGroup, where he worked in the warehouse/commercial lending side of the business. He marketed, structured and maintained warehouse lines of credit from \$5 million to \$150 million to clients throughout Colorado and Utah.

About SunCorp Corporate Credit Union:

SunCorp Corporate Credit Union is a \$2.5 billion financial institution that provides financial and correspondent services to nearly 500 member credit unions and 70 Credit Union Service Organizations nationwide. SunCorp's corporate headquarters is located in Denver, Colo., with a regional office in Salt Lake City, Utah. Products and services SunCorp offers include investments, correspondent services, item processing, loan participations, ACH and technological services.
