Mr. Lau is Senior Vice President of Retail Delivery for Premier Members Federal Credit Union based in Boulder, CO. He also serves on SunCorp's Supervisory Committee.

"I'm honored that the Board has chosen me as its Chairman and I'm looking forward to the opportunity to help SunCorp grow and become an even stronger corporate as it continues to serve the needs

of its member credit unions," Mr. Lau said.

The Board then moved to fill the open spot of Vice Chairman by selecting Randy Hoch. Mr. Hoch is President and Chief Executive Officer of Denver Fire Department Federal Credit Union in Denver, CO.

Mark Lau fills the position of Darin Moody, President and CEO of Utah First Federal Credit Union in Salt Lake City, UT, who had served as SunCorp Board Chairman since 2003 and was on the Board since 2001. Mr. Moody cited a desire to spend more time on his Credit Union and with his family as the reason for his resignation. “The demands on my time to meet

my needs professionally as well as for my family prevents me from continuing in my position on the Board of Directors,” Mr. Moody said. “I’m honored to have served on the Board and cherish the experience.”

“Darin has brought great leadership to our Board and our organization, and we will miss his insights, experience and professionalism,” said Mark Lau. “I thank him for the time and energy he has selflessly devoted over these past years. He was always concerned with the best interests of our members and his board decisions consistently reflected that.”

SunCorp is one of the top ten corporate credit unions in the nation, providing financial and correspondent services to credit unions and Credit Union Service Organizations in 20 states. SunCorp operates three regional offices, in Denver, Salt Lake City and Omaha.
